

Emerging trends in Quantum matters, Statistical and Biological Physics: 23-24 Nov, 2020

(A web conference to felicitate Prof Arun M Jayannavar,
organised by IOP, Bhubaneswar)

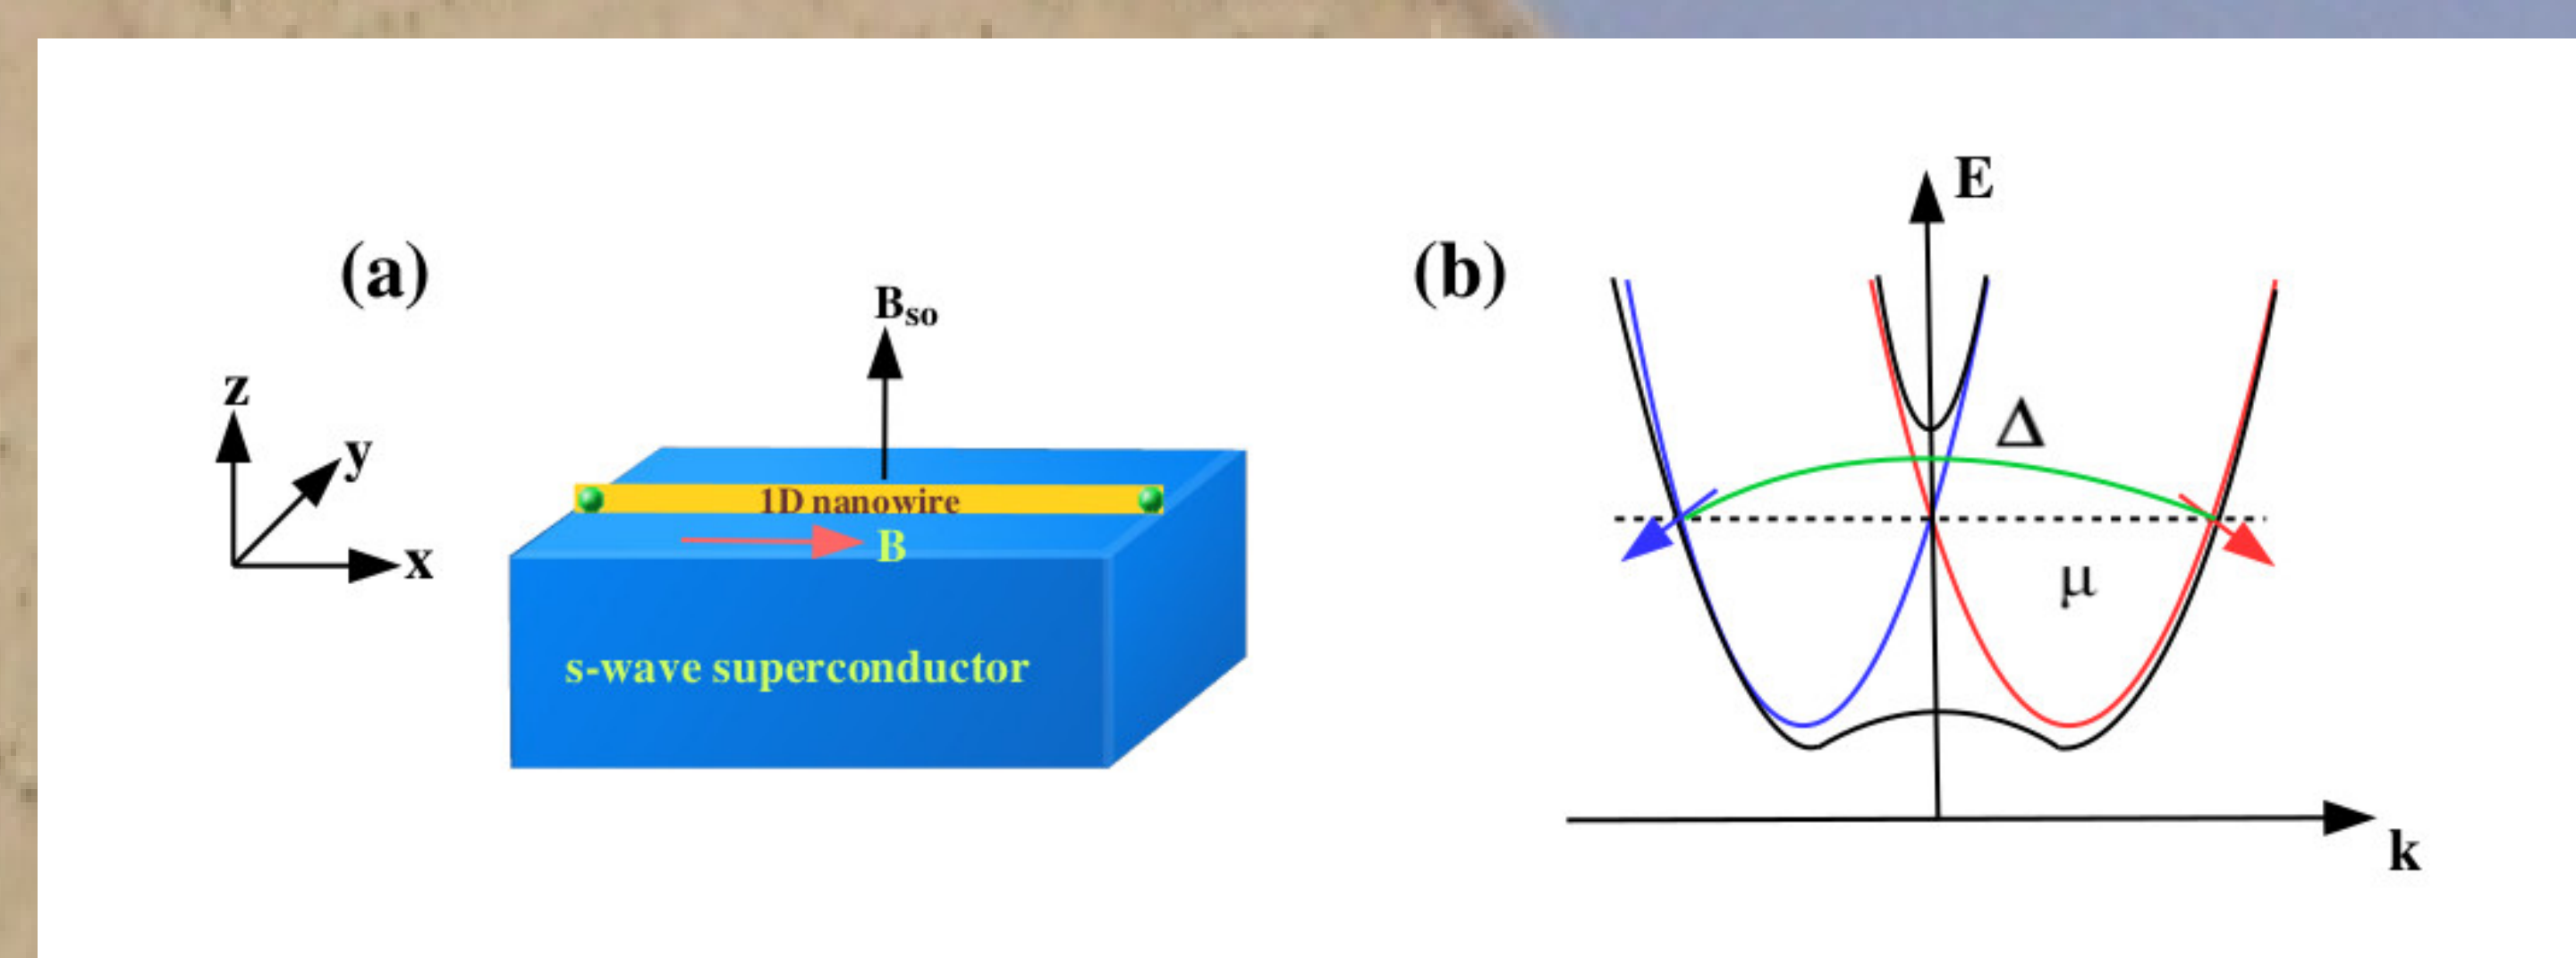

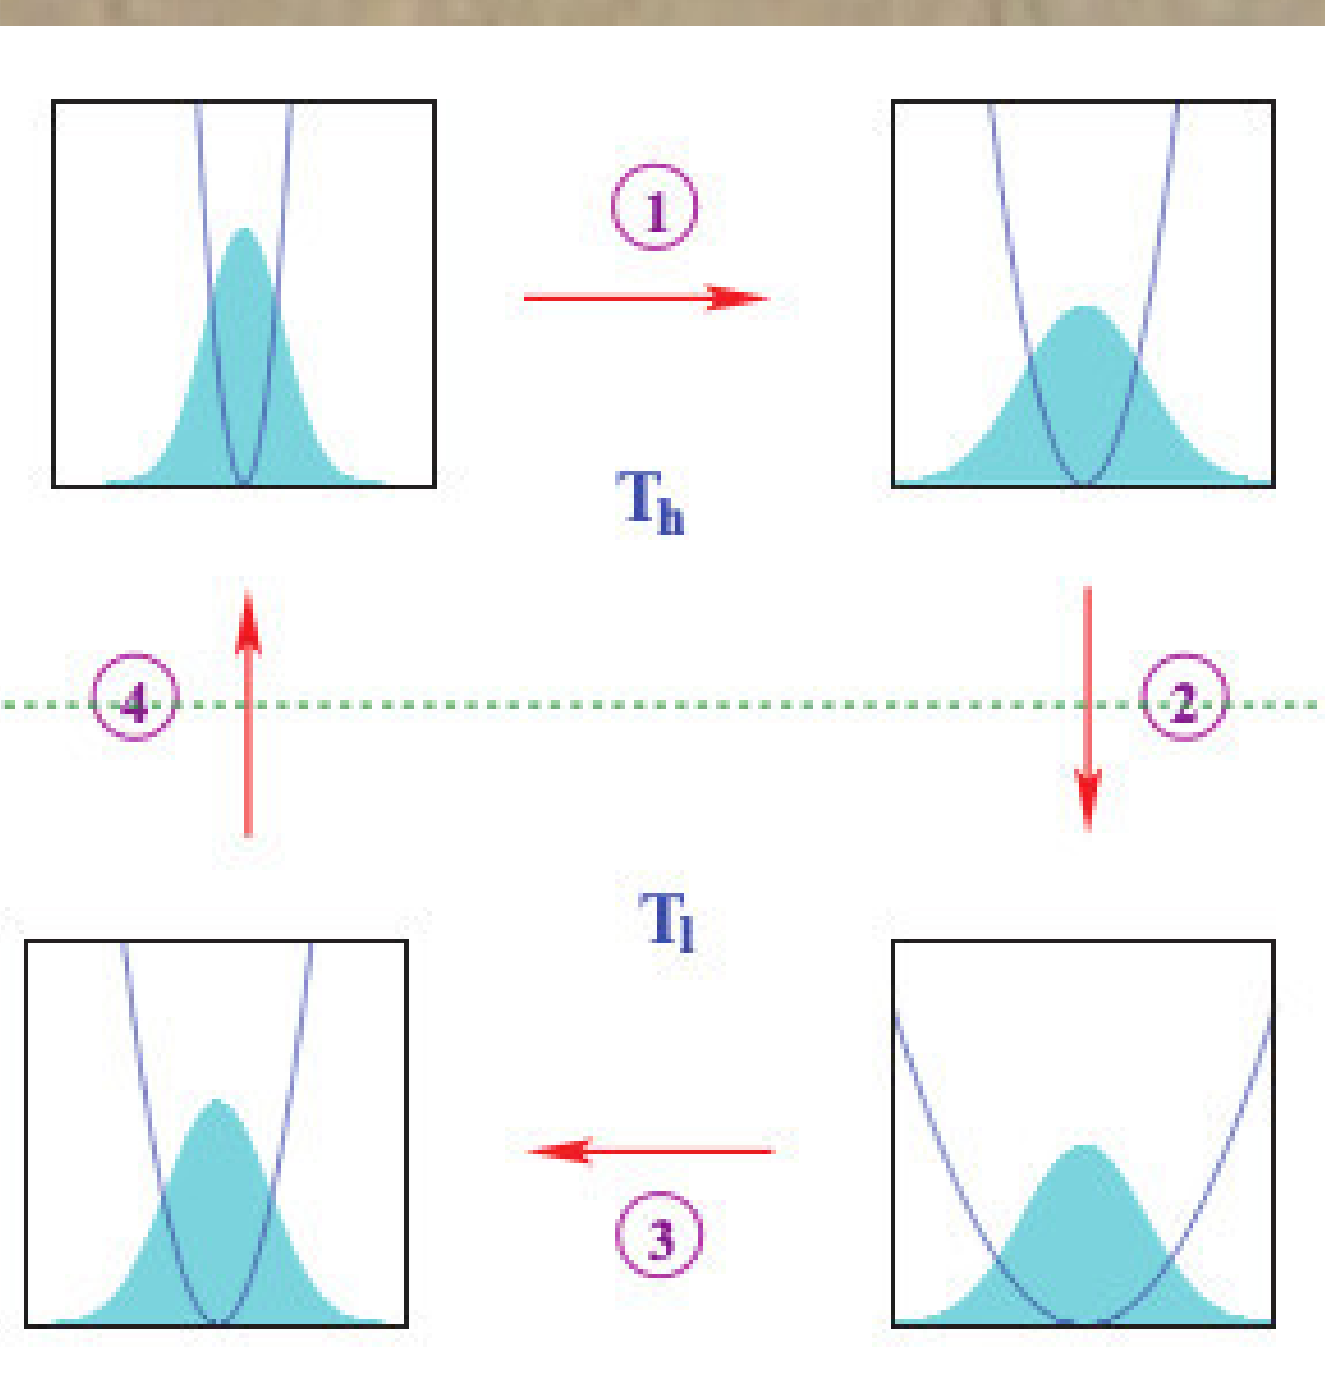

The aim of the conference is to bring together a group of renowned as well as young physicists working in the diverse area of Quantum matter, Statistical and Biological physics to discuss recent progress in the above fields.

Students are particularly encouraged to participate and interact with the speakers.

List of invited speakers:

1. G. Baskaran (IMSc, IIT Madras, Perimeter Inst.)
2. Sumathi Rao (HRI, Allahabad)
3. Srikanth Sastry (JNCASR, Bangalore)
4. Madan Rao (NCBS, Bangalore)
5. Surajit Sengupta (TIFR, Hyderabad)
6. Gautam I Menon (Ashoka University, IMSc Chennai)
7. Krishnendu Sengupta (IACS, Kolkata)
8. Abhishek Dhar (ICTS, Bangalore)
9. Colin Benjamin (NISER, Bhubaneswar)
10. Rahul Suresh Marathe (IIT, Delhi)
11. Arnab Saha (University of Calcutta)
12. Abhishek Chaudhuri (IISER, Mohali)
13. Prosenjit Singha Deo (SNBNCBS, Kolkata)
14. Malay Kumar Bandyopadhyay (IIT, Bhubaneswar)
15. Sourabh Lahiri (BITS-Meshra)
16. Mamata Sahoo (University of Kerala)
17. Paramita Dutta (Uppsala University)
18. SK Firoz Islam (Aalto University)
19. Priyo Shankar Pal (U. Maryland, Baltimore)
20. Shubhashis Rana (U. Houston, Texas)

For participation send email at felicitate2020@iopb.res.in by 20.11.2020

Online link will be shared with the participants by 20.11.2020

**** Participant certificate will be arranged for students ****

Conference schedule is available at www.iopb.res.in/felicitate2020/schedule.pdf
