POD is a program aimed at the school students to provide them an opportunity for open and informal discussions with research scientists.

Students will be free to discuss any question in Physics (in English, Hindi, Odia), from course material to any general query from their exposure to internet, media etc.

**Our guiding principle is the famous saying:  
Science is not about answering questions but  
about questioning answers**

**Online interaction  
for school students  
with scientist(s) of  
Institute of Physics**

**Ask questions in  
English/ Hindi/ Odia**
