

## Report on “Swachhata Hi Seva 2024” – 23.09.2024

The "Swachhata Hi Seva 2024" initiative is committed to advancing cleanliness and sanitation throughout India. This campaign features a diverse range of activities, including community clean-up drives, awareness programs, and educational workshops, all designed to encourage public engagement in maintaining a pristine environment.

At the Institute of Physics in Bhubaneswar, the "Swachhata Hi Seva" program was set to run from September 17 to October 1, 2024. Led by Prof. Karuna Kar Nanda, the Director, and supported by Lt. Col. B. Pattanaik, the Registrar and Nodal Officer, along with Dr. Khirod Chandra Patra, the Coordinator, and a dedicated team of IOP members, this initiative strives for exceptional success.

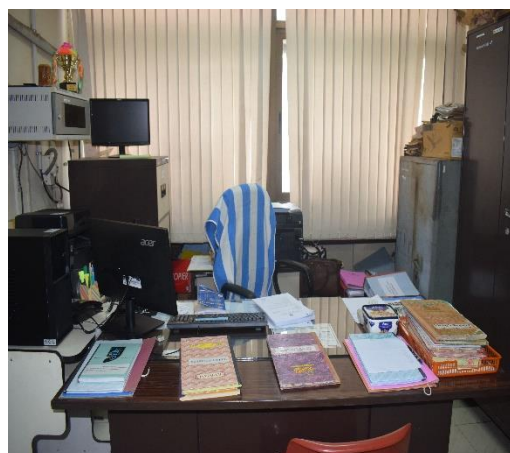

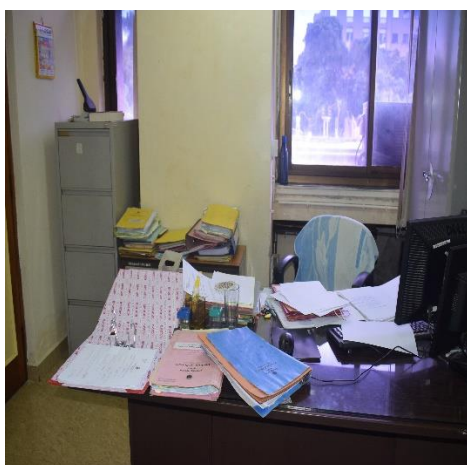

On September 23, an office cleaning initiative was launched to enhance the cleanliness and organization of the workspace. This effort aimed to create a more pleasant and efficient environment for all staff members.
