IoP Open Day 2026 – Explore the Fascinating World of Physics

The Institute of Physics, Bhubaneswar, is delighted to announce the IoP Open Day 2026, which will be held on 25th March 2026. This special event is designed to inspire curiosity and provide an exciting opportunity for visitors to experience the beauty and power of physics. Students and teachers from schools, colleges, universities, and other educational institutions, along with parents and science enthusiasts, are warmly invited to visit the campus and participate in this engaging scientific celebration.

Highlights of the Day

1. Live Demonstration Experiments presented by our talented doctoral and post-doctoral scholars
2. Guided Laboratory Visits to explore state-of-the-art research facilities
3. An engaging Popular Science Talk by a distinguished speaker

These activities will offer visitors a unique chance to interact with researchers, witness fascinating physics experiments, and gain insights into current scientific research.

Popular Talk Registration: <https://forms.gle/Jq3BskDeoCQax4V6A>

Participation in the Popular Talk is limited to 300 participants. Those interested are kindly requested to register in advance by scanning the QR code or using the registration link provided in the event poster.

We look forward to welcoming you to an exciting day of discovery, learning, and scientific exploration at the Institute of Physics.
